### Happy Year of the Metal Ox!

The Chinese New Year of the Metal Ox  
will start on February 12th, and it will last until January 31st of 2022.

This year brings career advancement, success in business, prosperity, and wellness for all zodiac signs. I have chosen quotes from three famous people born on a Metal Ox year: the artist Vincent Van Gogh, president Barack Obama and the anthropologist Margaret Mead.

*Great things are done by a series of small things brought together. - V. Van Gogh*

*I must admit that I personally measure success in terms of the contributions an individual makes to her or his fellow human beings. - M. Mead*

*Change is never easy, but always possible. There is no excuse for not trying. - B. Obama*

**Metal Ox profile:** has a warm public personality, is the most socially adept ox with great personal ambitions, and pushes hard to get to the top. The ox is also skillful, creative, eloquent, confident, patriotic, charismatic, reliable and always takes care of his family and beloved ones. He/she cannot stand criticism, and you may find in them prejudice, pride, conservatism, eccentricity, and pettiness. The lucky colors of the Metal Ox are: white, yellow and green, colors that in Feng Shui attract prosperity and success. To increase your luck, wear metal accessories.

*If you're walking down the right path and you're willing to keep walking,  
eventually you'll make progress. - B. Obama*

*I dream of painting and then I paint my dream. - V. Van Gogh*

*Even though the ship may go down, the journey goes on. - M. Mead*

This year no explosive or catastrophic events will occur. This will be favorable for economic recovery or consolidation, and a long-term investment reserving for the future.

During this year, we will feel the weight of our responsibilities and it will be necessary to double our efforts to accomplish what we want.

Some problems might occur for some Chinese zodiac signs, but success and luck are ready to be present for those who are flexible and ready for anything.

**The Metal Ox year is good for making order in the family life.**

It will take patience and discipline to resolve the problems along with an extra effort in organizing our time.  
All the marriages started during this year are durable and happy.  
An ideal year to be in love and thinking of starting a family with the person you have by your side.  
If you are still single, get ready to meet your life partner!

**2021 is a peaceful year, great to resolve family issues.**

*What matters is how well we have loved. - B. Obama*

*I feel that there is nothing more truly artistic than to love people. - V. Van Gogh*

*One of the oldest human needs is having someone to wonder where you are when you don't come home at night. - M. Mead*
