## Mystra Light Newsletter November 2019

### **November 2019 Tarot Spread**

**A month that gives you the opportunity to achieve what you want the most in your life.**

During this month you will be realizing how much better life can be having family and friends to share, cherish, encourage each other, and celebrate the small and simple gifts of life, and supporting one another in good and bad times.

Evaluate your progress and check what you have accomplished so far with your finances before considering the practicality and solidity of a new idea that will prevent you from a set back.

An old issue will reappear, and now you will be ready to resolve it.

Someone will coming back into your life asking forgiveness, and regretting the pain they have caused you. This maybe an opportunity to rekindle the connection.

### **The guidance - The Hanged Man**

Time to pause and evaluate the situation from different perspectives.

Give your self the chance to contemplate the issue from different angles and see what really matters, and what is significant to you right now. Then, release the rest, and get ready to move on when the appropriate moment, situation, or circumstance presents itself.

**A new outlook that can turn your life around.**

### **The Warning - The devil**

Time to break free from old fears, insecurities, and dark emotions that prevent you from seeing your potentials and become what you really want to be.

There will be a tendency to be negative and closed up to people based on old fears. By being aware of your dark emotions and refraining them to control you, you will recuperate you self power and self esteem, and you will be able to connect with people with good feelings and intentions that really care for you.

**Time to break free from old fears.**

**Your focus – The Star**

**Aim for your dreams and a path of success will be opening for you.**

No matter how difficult things may become, they will not remain that way forever.

You have the opportunity to achieve what you want the most in your life.

**Never lose hope.**

**Inspirational card: "Make a Wish"**- from *Magical Mermaids and Dolphins* by Doreen Virtue  
"Make a wish, and enjoy its manifestation."
